Chinese Pork Dumplings

Family Feedback: Taste delicious! Just the pork inside was a little bit salty.

Personal feedback: Next time, don't add so much soy sauce into pork mixture. Next time, don't add sesame oil, it creates a nutty flavor that doesn't need to be in the dumplings.

Easy Handmade Noodles

Family feedback: Noodles incorporated with meat and veggies nicely! Some pieces are thinner than others, which doesn't really matter. Somewhat bland.

Personal feedback: Next time, I would add some more salt than the recipe has recommended, perhaps adding a tiny bit of soy sauce for some more flavour.
